

## RE-OPENING PROTOCOLS

---

**Mask Mandate Reminder:** In line with policies, we are mandating mask use on church grounds, both inside and outside. If a small group is together and covenants to hear from all parties and feels comfortable to remove masks, you may do so. Without covenantal discussion and consent, masks should be worn over your nose and mouth for everyone over age 2 who is on church property. This includes RE, small groups, choir, etc. Please help keep your neighbors safe.

This policy will be revisited often, and may change. Please look to newsletters or ask Board members for updates.
